Out of an abundance of caution related to COVID-19, Pelham City Schools will now be closed effective Monday, March 16 with a planned return date of Monday, April 6. This change of plans is based on a recent communication from the State Department of Education giving local systems that authority and continued discussions with our neighboring school district leaders.

While we understand this change may pose a challenge to some families related to childcare, this is an ever-changing situation, and we're making decisions that prioritize the health and well-being of our students and staff.

Employees will receive an e-mail from the Superintendent by Sunday providing further instructions and details related to the updated school closure dates.
