

SUMMER MEALS PROGRAM 2023

Pelham City Schools Board of Education would like to share information concerning Summer Feeding Programs.

The Summer Feeding Program is a summer meals program established to ensure that children continue to receive nutritious meals when school is not in session. Through this program, free, nutritious meals are provided to all children during the summer months.

Although Pelham City Schools does not host a Summer Feeding site, your child(ren) may attend a Summer Feeding Program outside of our city.

Here is a link to find a summer feeding site closest to your home:
