

Home Internet Survey

1. Log into the PowerSchool Parent Portal at this address:
<https://pelhamcs.powerschool.com>
 - a. Note: This cannot be accessed through the mobile app but can be accessed from a computer or Chromebook.
 - b. The username and password are the same as the username and password that you use for the PowerSchool app on your mobile device.
 - c. If you have not created your account for the PowerSchool Parent Portal, you can [access instructions here](#).
 - d. If you do have trouble accessing or creating your account, please contact the school registrar.
2. Once you login, access the student and click on the “Digital Equity and Learning Preference” icon in the menu on the left side of the screen.

3. Click on the date “08/11/2022.” Do not click “New.”

4. Please select from the drop down for the following items:
 - a. Internet in Residence - Do you have Internet access at your residence?
 - b. Internet Access - What type of Internet access do you have at your residence?
 - c. Internet Performance - Is your Internet access reliable?

A screenshot of the 'Digital Equity and Learning Preference' form. The form includes fields for 'Effective Date' (08/11/2022), 'Learning Preference' (Select Code), 'Requested Timeframe' (Select Code), 'Requesting Parent/Guardian', 'Internet in Residence' (Select Code), 'Internet Access' (Select Code), 'Internet Performance' (Select Code), 'Device Type' ((3) Chromebook), and 'Device Access' ((3) School Provided - Dedicated). The 'Submit' button is highlighted with a red box.

5. Click “Submit”
6. Repeat this process for each student in your household.
