

The Pelham Board of Education remains in compliance with the Environmental Protection Agency's Hazard Emergency Response Act of 1986. The Pelham City Schools System conducted the three year re-inspections in accordance with EPA's AHERA Act in May 2017. Six-month periodic surveillance was conducted and training of employees was held on Thursday, November 2, 2017, in compliance with State and Federal requirements.

The asbestos management plans are on file at the Pelham City Schools Central Office and at each individual school. They are available for review during normal business hours. If you have questions, please contact Mr. Floyd Collins, the LEA Designated Coordinator, at (205) 624-3700.
